**Kansas NOW hosts the event “Speak Out, A Community Discussion on Choice”
Featuring Gloria Allred**

As our state mourns the murder of our beloved Dr. Tiller, The Kansas National Organization for Women is honored to host feminist lawyer and women’s rights advocate Gloria Allred for the event “Speak Out, A Community Discussion on Choice”. Gloria is familiar to many of us for her high-profile legal cases, but she has built her career as a tireless crusader for women and minorities.

Gloria Allred’s book “Fight Back & Win: My Thirty-year Fight Against Injustice- and How You Can Win Your Own Battles” chronicles her personal experience with an illegal abortion prior to Roe V Wade...

“No woman wants an illegal abortion as part of her life history. However, because of that experience, I am committed to assuring that abortion is safe, legal, and available. I don’t want anyone else to have to suffer what I had to endure, not knowing whether I would live or die from an unsafe and illegal abortion.”

The event will be held on June 5, 2009 at the First Unitarian Universalist Church, located at 7202 E 21st in Wichita, Kansas at 7:00 PM. The public is invited to come, take a stand and speak to the recent tragic events that have impacted so many. We will also discuss the future of choice in our state.

A \$20.00 donation at the door is suggested, but not required.
