**Statement regarding Zervos v. Trump and the issue of legal immunity**

We do not believe that the President of the United States enjoys legal immunity from our defamation lawsuit (Zervos v. Trump). In her lawsuit our client, Ms. Zervos, alleges that candidate Donald Trump called her a liar and unfairly and wrongfully maligned her during his campaign because she had alleged that he had sexually assaulted her. Summer seeks vindication of her rights and reputation for what her lawsuit alleges was personal misconduct by then candidate Trump prior to his having been elected to the office of the President of the United States.

The United States Supreme Court addressed this legal immunity issue in Clinton v. Jones and determined unanimously that no man is above the law and that includes the President of the United States.

We look forward to arguing this issue in court.
