

[Gloria Allred response to the statement of President Trump that our subpoena in the case of Donald J. Trump v. Summer Zervos is "fake news"](#)

Our subpoena is obviously not “fake news”, since it is filed with the Court in Summer Zervos’ lawsuit against him and the Trump Pence campaign has acknowledged receiving it. Assuming the Court denies President Trump’s motion to dismiss our lawsuit and allows us to proceed, his campaign will be required to respond to our subpoena within 30 days of the court’s decision. Please see the links below as proof.
