Statement of “JANE DOE 15” regarding Prince Andrew

I would also like to say that I agree with Gloria, that Prince Andrew, and any others who were close to Epstein, should come forward and give a statement under oath on what information they have. All the information pertaining to and around this case is important. Just because Epstein is dead does not mean that others around him don't deserve their day in court as well.

“JANE DOE 15”

SURVIVOR OF JEFFREY EPSTEIN
