

Summer Zervos with her lawyer Gloria Allred in 2016. (AAP) (AAP)

When it allegedly happened: 2007

Where it allegedly happened: The Beverly Hills Hotel

What she said: A former Apprentice contestant, Zervos said Trump first kissed her during a meeting in New York, but she was still interested in getting a job at The Trump Organization. She met Trump for dinner in Los Angeles and says that she was escorted into a room next to where he was getting dressed. Zervos claims he later kissed her "very aggressively and placed his hand on my breast." Zervos said she still had dinner with Trump and later called him to inquire about getting a job. She made the allegations during a press conference with the attorney Gloria Allred. CNN has not independently verified this claim.

What Trump said: "I vaguely remember Ms. Zervos as one of the many contestants on The Apprentice over the years," Trump said in a statement. "To be clear, I never met her at a hotel or greeted her inappropriately a decade ago. That is not who I am as a person, and it is not how I've conducted my life. In fact, Ms. Zervos continued to contact me for help, emailing my office on April 14th of this year asking that I visit her restaurant in California."
