Statement of Kurt Knutsson

This is a very important day for me.

It took me more than seven years to be able to get to a courtroom in Los Angeles Superior Court, Dept. 36. Yesterday I sat in that courtroom and heard the jury find in my favor.

I could not stop crying. I was overwhelmed because I was finally vindicated. I felt that the jury understood all that I had endured. I had spent fourteen years building a national brand as “Kurt the CyberGuy”. KTLA took everything I had built away from me overnight.

Why? I felt it was all about greed. They were to receive millions of dollars and based on my contract, I was entitled to share in that revenue, but they didn’t care about my rights.

I always had confidence that truth and justice would prevail and it did. I thank my lawyers for believing in me and the jury for listening to the evidence and finding in my favor.
