**Statement of Anne Bird regarding the decision of the California Supreme Court
in the case of People vs. Scott Peterson**

I believe that the California Supreme Court made the right decision in upholding the murder convictions of Scott Peterson, and in their decision not to grant him a new trial on those issues.

Regarding the death penalty, I think that Scott Peterson is where he should be -- in prison. I lost my sister-in-law, Laci, and my unborn nephew, Conner. I am against the death penalty in principle for everyone. However, I do think that Scott Peterson is guilty and should spend the rest of his life in prison without the possibility of parole.
