Statement of Jane Doe

As a surviving victim of R. Kelly, I feel sad about the fact that Hennepin County Attorney's Office in Minnesota decided not to hold him accountable for what he did to me when I was a minor. If there had been a criminal trial, I would have been willing to testify against R. Kelly. Even though it wouldn't have brought any extra prison time for him, it would have given me closure.

I didn't come forward for money or fame. I came forward because I was one of his surviving victims and needed justice as this has been weighing heavily on me for over 20 years. What R. Kelly did to me impacted my life in many ways and will continue to hurt me for the rest of my life.
